By the Numbers

1 Among all active FBS players, fifth-year WR **Easton Messer** is No. 1 nationally in career receptions (260), as well as No. 2 in receiving yards (3,082), and all-purpose yards (4,437). He achieved his career high in all-purpose yards in the 51-49 win against Rice with 262 and became the first FBS player in at least 20 years to record two receiving, two rushing, and a punt return touchdown in the same game. His 82-yard punt return during that game is the longest in program history.

1 Graduate QB **Caden Veltkamp** is No. 1 nationally in completions per game (26.8). His top target Messer leads the American in receptions per game (8.3) and yards (709), while senior WR **Kelby Valsin** is No. 2 in both categories (7.7, 679)

4 The Owls have scored four return touchdowns on special teams, two each on punts and kickoffs. It is the most both in program history and among all FBS schools in 2026. The Owls are the only team this season to have both of multiple punt and kick return touchdowns.

5 Messer's five touchdowns versus Rice ties the single-game program record and is the most against an FBS opponent.

9 In 19 games with Florida Atlantic, Veltkamp has recorded nine games of 300+ passing yards, second most among Owl QBs behind Rusty Smith.

AN OWL WIN WOULD...

- Make the Owls bowl eligible
- Be the program's 135th win
- Be Hagerty Family Head Football Coach Zach Kittley's 10th career win
- Move the series to 9-7 in favor of Florida Atlantic
- •Give the Owls a 3-1 American-Conference record

Conference Affiliation and History

Florida Atlantic University began playing football as an FCS member in 2001. In 2003, the Owls became the youngest team to earn an FBS victory (game 21), and the youngest to earn a playoff berth. FAU hosted and were defeated in the semifinal game by Colgate.

That same year, Florida Atlantic declared its intentions to move to the FBS level and joined the Sun Belt Conference. The Owls would begin playing an FBS schedule but did not reach full status until 2007. That same season FAU won its first conference championship, becoming the youngest startup program to earn a bowl berth, a bowl that the Owls won.

The Owls moved to Conference USA in 2013 and just five seasons later were atop the league with a perfect regular season, a CUSA Championship victory and the program's third bowl berth. FAU repeated its championship run in 2019.

2023 marked the third league for the Owls as they began to represent the American Athletic Conference, just 20 years after its first championship season.

Notes

Youngest Calling the Plays: Hagerty Family Head Football Coach **Zach Kittley** began first fall camp at the age of 34. Now 35, he remains the youngest head coach in the game. The Texas native not only serves as the head coach, but also is also is the Owls' offensive coordinator and QB coach. When teamed with defensive coordinator **Brett Dewhurst**, the head coach/OC and DC duo average an age of 34.3, which makes them the youngest playcalling team in the nation.

Standing Tall Among FBS: At 6-7, **Zach Kittley** is the tallest among active FBS coaches. Conversly, App State's Dowell Loggains is 5-5. The same survey among FBS football SIDs also revealed he is the only FBS head coach that did not play college football.

Paradise International: While more than 1,000 players have donned an FAU iniform, more than 82% hail from the state of Florida. 35 states and 506 high schools have been represented through the years. Internationally, six countries hold the honor of an FAU football players finding the Boca Raton field. This season players represent three countries: Germany, Canada (3) and the USA.

Cris Carter

Pro Football Hall of Famer **Cris Carter** joined the Florida Atlantic football staff as the Executive Director of Player Engagement in 2023.

Carter, a Pro Football Hall of Fame 2013 Inductee, amassed 13,899 receiving yards, 1,101 receptions, and 130 touchdowns playing 16 NFL seasons with the Philadelphia Eagles (1987-1989), Minnesota Vikings (1990-2001) and the Miami Dolphins (2002).

Also known for his various television appearances, Carter was a two-sport high school athlete with scholarships to play both, but unlike his brother Butch, a basketball star at both Indiana and the NBA, Cris elected to play football at the Ohio State University where he became a consensus All-American selection following his junior campaign. The longtime Boca Raton resident has been instrumental as a mentor, motivational speaker, coach and television personality.

Son of a Coach: Zach Kittley openly credits his father, Wes, as the "best man I know." If he is going to emulate someone's career, his father's is the perfect example. Wes is in his 28th season as Texas Tech's men's and women's track and cross country coach and has coached at the collegiate level for more than four decades. Kittley moved to Lubbock after leading one of the most successful programs in the history of collegiate track and field. While at Abilene Christian University, Kittley won an unprecedented 29 national track and field championships, the most in Divisions I and II combined. Kittley won his first national championship in 1985 when his women's Wildcat squad won the Division II outdoor championship, a title he would win again in `86, `87 and `88. When ACU combined their programs in 1993, Kittley was selected to head the men's team, as well. He wasted no time taking a floundering men's program to an elite level, winning the Division II indoor title in his first season. His 15-year tenure at ACU included coaching 10 Olympic qualifiers, three Pan-American Games athletes, five World University Games athletes, 16 athletes who have qualified for the world championships and three United States national champions. In the fall of 2006, Kittley was honored by the Lone Star Conference for his coaching efforts while at ACU as he was named to the conference's Hall of Honor.

MORE ON THE OWLS

Familiarity and Impact: Newcomer and senior WR **Kelby Valsin** is poised to make an impact in the Owls' receiver room. The transition from Texas Tech has been simple and aided by the fact he was recruited by Head Coach Zach Kittley and played for the Red Raiders for three years.

Division II All-American Stands Tall: Fifth-year RB **Leonard Farrow** earned All-American status as a running back for Fairmont State. Shortly after his recognition, he was on an official visit in Paradise. Always seeking challenges for himself, he made the transition to Division I and has flourished.

Following Well-Defined Paths: Senior EDGE **Jay Crable** saw fellow Ohio defensive lineman **CJ Doggette Jr.'s** 2025 season in Paradise from afar and elected to follow his former teammate for the 2026 season. Crable comes to FAU after appearing in every 2025 Bobcat game. He tallied 33 tackles and is expected to add something the Owls prioritized in their defensive additions: someone to disrupt the quarterback. Crable brings 8.0 tackles for a loss of 54 yards, including 6.0 sacks for a loss of 49 yards, to the field. Following in great footsteps is something Crable is accustomed to as he followed in the footsteps of his father who was a captain for the Michigan football team before playing for the New England Patriots and the New York Jets.

Well Acquainted: Redshirt senior TE **Marcus Vinson** joined the Owls after three seasons at UTEP, where current FAU tight end coach Jajuan Dulaney served on the coaching staff. Dulaney moved to Paradise for the 2025 season as the tight end coach and Vinson moved to New Mexico where he saw action in one game. In January, the two were reunited and began working together to build a productive tight end room.

It's All About the Comics: Junior DL **Gabriel Birnbaum** joined his hometown team as a defensive lineman in 2024 and remained an Owl through the head coach transition. Birnbaum not only grew up in Paradise, it is where he developed his business model, started his company, rented a 4,000 square foot facility and grew his team of employees to 18 individuals. Doing what you ask? Selling comic books.

Notes

Team – In the age of transition, the Owls return 64% of the team's production from a year ago, including 62% offense and 65% defense.

Graduate QB **Caden Veltkamp** completed his 2025 campaign ranked among the nation's top 25 in six categories, including No. 1 in completions per game (28.76), No. 3 in passing yards per game (303.4) and No. 6 in total offensive yards per game (307.4). Veltkamp's number one receiver, fifth-year WR **Easton Messer**, was the top receiver in the nation with 8.67 receptions per game. Messer ranked No. 10 nationally in receiving yards per game (87.7) and No. 15 in total receiving yards (1,052). The duo is joined by the Owls' 2025 lead rusher in junior **Kaden Shields-Dutton** and welcomed the addition of fifth-year and Division II All-American **Leonard Farrow.** A cast of new receivers have been added to the offensive side of the ball led by senior Texas Tech transfer **Kelby Valsin** (a previous Kittley recruit).

Defensively, the Owls bulked up the line in support of their heartbeat, graduate DT **CJ Doggette Jr.**, who led the team in sacks year ago. The line also returned senior **Wilky Denaud**, who has completed his move to the interior. The Owls added standout transfers in senior edge **Jonathan Bax** from TCU and senior **Jay Crable** from Ohio. The linebacker unit welcomes the return of graduate **Leon Hart Jr.**, the team's leading tackler in 2025, and junior **Khmari Johnson** as well as fifth-year senior transfer **Joseph Sipp Jr.**, who comes to Paradise from Kansas. The defensive backfield is expected to be a blend of experienced returners, led by graduate **Damarius McGhee** as well as newcomers including **JK Johnson** and **Tyson Rooks**.

Loving/Living Paradise - Kittley and the Owls will enter the 2026 season as the only program in the nation to return the complete coaching staff along with the starting quarterback.

Preseason Accolades

Lou Groza - Collin Rogers made the watch list for the second time in his collegiate career, previously earning a spot in 2024 as a member of SMU's program. The honor marks the second preseason recognition over the summer after being named to the American All-Conference team by *Phil Steele Magazine*. He entered the season as the active NCAA leader in points among kickers (371) and is second in field goals made (61).

NCAA Leader: Grad K Collin Rogers leads the NCAA among active kickers for points scored.

Maxwell Award Watch List - for Second Consecutive Year - QB **Caden Veltkamp** has been named to the 2026 Maxwell Award's preseason watch list for the second consecutive season. Veltkamp enters year two in Paradise after leading one of the top passing offenses in the nation in 2025. Individually, he was No. 1 nationwide in completions per game (28.75), No. 3 in total offensive yards per game (307.2), No. 4 in completion percentage (67%), and No. 7 in passing yards (3,641). As a team, the Owls finished No. 1 in passing offense (340.2).

Single-game program records were set and matched throughout '25 in passing touchdowns (five), completions (42), and yards (494). The 6-foot-5, 236-pound gunslinger has also earned a spot on the 2027 Shriners Children's East-West Bowl 1000 List, Phil Steele's Magazine All-Conference second team, and the Athlon Sports All-Conference third team.

Doggette Jr. Seleted to Multiple Preseason Watch Lists - **Bronko Nagurski Trophy / Outland Trophy Watch List** - **CJ Doggette Jr.** has will look to guide the Owls' defense to success from the trenches after an all-conference 2025 campaign where he led the team with four sacks and seven tackles for loss.

On the Bronko Nagurski Trophy watch list, Doggette Jr. is one of just 10 defensive tackles recognized out of 68 players and one of two players from the American Conference. Among the 68 players on the Outland Trophy watch list, Doggette is one of 16 d-linemen and is joined by one other representative from the American, an offensive guard.

Notes

Rimington Trophy Watch List - Graduate OL **Vincent Fiacable** is one of four players from the American Conference represented on the list. The versatile offensive lineman, who will see time at guard in the upcoming year, manned the middle of Hagerty Family Head Football Coach Zach Kittley's Air Raid offense. Starting 12 games, he protected a unit that finished No. 1 nationwide in passing offense.

The Rimington Trophy worked in conjunction with Pro Football Focus to identify the top 40 centers in the nation entering 2026.

Freaks List - Graduate **CJ Doggette Jr.**, a defensive tackle, was ranked No. 42 on the 2026 College Football Freaks List.

The list ranks 101 collegiate football players with extraordinary physical traits and ability.

Doggette Jr. was noted for his "impressive combination of strength and speed," with a maximum bench press of 500 pounds, 38 reps of 225 bench press, to go along with a 4.75 40-yard dash time.

Paul Hornung Award - For the third consecutive season, WR **Easton Messer** is on the Paul Hornung Award watch list.

In 2025, the second-team All-Conference recipient finished No. 20 nationwide in All-Purpose yards per game (112.50). This came primarily from receiving and punt returning. He recorded 104 receptions (second all-time in a single season in program history and No. 1 among all FBS players), for 1,052 yards (third all-time in program history). He also averaged a program single-season best 20.8 yards per punt return while recording a long of 60.

His versatility did not end there. Messer became the first player in Florida Atlantic history to receive, run, and throw for a touchdown all in one season, hauling in six scoring receptions, going untouched on the ground for 39 yards into the end zone, and connecting on a 48-yard deep pass for a touchdown.

Wuerffel Trophy Watch List - Junior punter **Reed Chandley** is football's representative on the Allstate Wuerffel Trophy Watch List.

Since arriving to campus in January, Chandley has taken on several community service initiatives, working multiple events with demographics ranging from the very young to an adult women's clinic. Chandley has worked as a volunteer for J.C. Mitchell Elementary as well as FAU's Fellowship of Christian Athletes and A18 Club.

The Canton, Georgia native is embarking on his first season with the Owls after most recently playing at Georgia State in 2025, where he punted for 2,474 yards.

Notes

Biletnikoff Award - Fifth-year WR **Easton Messer** was named to the Biletnikoff Award Watch List.

The annual award honors college football's top pass-catcher, regardless of position. Messer earns a spot on the preseason watch list after the 2025 season in which he led the nation in receptions per game (8.67).

Messer hauled in 104 catches (second most in a single FAU season) for 1,052 yards (third most) and six touchdowns. The All-Conference second-teamer has recorded a reception in 30 consecutive games dating back to 2023, a streak that only nine other players currently hold. He had four games with 100+ yards and tied the single-game program record in receptions with 15 against Maryland.

Now, he becomes the first Owl since '23 to make the watch list, where LaJohntay Wester was a midseason addition. Former Florida Atlantic wideout William Dukes was previously selected to the preseason list in 2013.

Among the several preseason honors, Messer has also been named to the preseason All-Conference first teams for Phil Steele and Athlon Magazine, selected to the East-West Bowl 1,000, made the preseason Paul Hornung Award Watch List for the most versatile player in college football, and was tabbed a G6 All-American by HERO Sports.

Earl Campbell Tyler Rose Watch List - Senior WR **Kelby Valsin** has been named to the Earl Campbell Tyler Rose Award Watch List.

The award denotes college football's top offensive player that has either graduated from a Texas high school or currently plays for a university located in Texas.

Valsin fits the former, graduating from Bowie High School in his hometown of Arlington. In two years of varsity football, he recorded 1,979 yards with an average of 18.7 yards-per-reception and logged 18 touchdowns.

In his previous three collegiate years, Valsin played at Texas Tech, in his first two seasons learning under FAU's current Hagerty Family Head Football Coach Zach Kittley. He made appearances in 25 games, seeing time at wide receiver and kick returner.

Entering his second year with the Owls, Veltkamp is the nation's reigning leader in completions per game (28.75). In-Season Accolades

Graduate QB **Caden Veltkamp** earned three major honors following his Week 2 performance, winning the American Conference Offensive Player of the Week and being selected to the Davey O'Brien Award Great 8 as well as a Manning Award Star of the Week. Veltkamp led the charge for Hagerty Family Head Football Coach Zach Kittley's Owl Raid offense, completing 27 of his 32 pass attempts for 386 yards and five touchdowns in the 38-30 win over RV Navy.

His five touchdowns tie the single-game program record, while his 84% completion rate is second-best in a game, and the 386 yards are now fifth all-time in program history.

Senior DB and Shula Bowl XXIV MVP **Chris Tooley III** has been recognized by the American Conference as a weekly honorable mention honoree (9/21/2026).

Tooley III, who has spent all four seasons of his collegiate career in Paradise, helped the Owls reclaim the Shula Bowl trophy in a 16-10 victory over FIU, the lowest scoring game and FAU's tightest margin of victory in the all-time series against the Panthers.

Among three FAU interceptions in the first quarter, it was Tooley III's 42-yard return off his takeaway that set up the Owls' only touchdown of the night. He also added five tackles, including one for a loss, and forced a fumble.

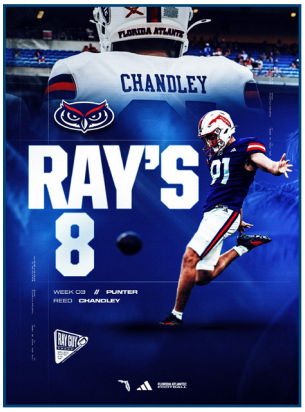

Zach Kittley/Brett Dewhurst Recognized -After a statement 16-10 win over FIU in Shula Bowl XXIV, Hagerty Family Head Football Coach Zach Kittley and Defensive Coordinator Brett Dewhurst were named by CBS Sports as American Conference Coaches of the Week.

Kittley was selected as the American's top head coach for the second consecutive week while Dewhurst was named the best coordinator.

In the lowest scoring Shula Bowl and tightest margin of victory by the Owls,' Dewhurst's defensive unit surrendered just 10 points, least amount allowed by Florida Atlantic against an FBS opponent since Nov. 12, 2022.

The game was bookended by the Owls' defense logging three interceptions in the first quarter and three defensive stands in the fourth, with the final coming in the red zone as time expired. Florida Atlantic's three picks matched the total for the entire 2025 season.

Reed Chandley, a junior punter on the Florida Atlantic football team, has been named to the Ray Guy Award's Ray's 8 for Week 3, announced on Monday.

The eight best punters in Division I are named to the Ray's 8 each week. This marks Chandley's first such honor of his collegiate career, coming off playing an essential role in the 16-10 victory over FIU in Shula Bowl XXIV.

In a game that was decided by defense and special teams, Chandley's perfectly placed punt with less than two minutes remaining was downed at the FIU 1-yard line, requiring the Panthers to go the length off the field to score a winning touchdown. The Owls' defense was then able to stave off the potential game-winning drive in the red zone to return the Shula Bowl trophy to Boca Raton.

Chandley finished the night with four punts and an average of 48.2. Two of them went over 50 yards, including a season-long 56, and two landed inside the 20-yard line.

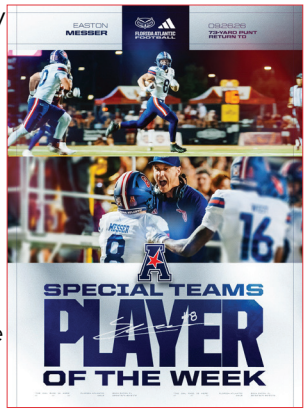

In-Season Accolades

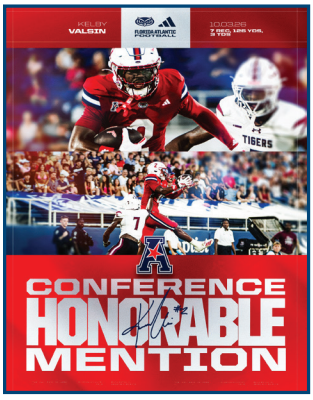

Easton Messer, a fifth year WR, was selected as the American's Special Teams Player of the Week, announced by the league on Monday.

Messer earned the weekly honor after recording a 73-yard punt return touchdown in the Owls' 45-17 win at ULM, a highlight reel moment that was ranked No. 3 in SportsCenter's daily Top 10 plays. He ties the second longest punt return in program history, shared with Lucky Whitehead who later had a three-year NFL career. He is the first player in the American Conference to return one for a touchdown since 2024, while becoming the first Owl to run a punt back since LaJohntay Wester, currently with the Baltimore Ravens, in 2023.

This marks the third consecutive week in which an individual Owl has been recognized by the conference. Graduate QB Caden Veltkamp earned American Offensive Player of the Week following Week 2 and senior DB Chris Tooley III was named an honorable mention after Week 3.

A Paul Hornung Award watch list member in both years as an Owl, Messer is the only player in program history to have recorded all of a passing, rushing, receiving, and return touchdown. He is currently the FBS leader among active players in receptions (229) and is No. 2 in all-purpose yards (3,769) and receiving yards (2,725).

Fifth-year RB **Leonard Farrow** has received the American Conference's Special Teams Player of the Week honors. Additionally, senior WR **Kelby Valsin** and DL **Wilky Denaud** were named honorable mentions by the conference, announced on Monday, Oct.. 5. **Farrow** also was named to the Jet Award on Tuesday, Oct. 6.

The Owls (4-1) earned these recognitions fresh off recording the largest margin of victory in program history, a 66-10 victory over Texas Southern. For the first time at FAU, all three phases: offense, defense, and special teams, scored touchdowns. The trio of American honorees combined for six TDs.

Farrow's opening kickoff return for the 98-yard score was impressive on its own, tied for the second longest return in team history and making him only the second Owl to take a kickoff to the house, alongside NFL pro Kerrith Whyte.

But it was his very next return six minutes later where he solidified his name in the NCAA record book with a 92-yard score, tying the single-game FBS mark and becoming the first player with two kick return touchdowns in one game since 2023.

Farrow follows fifth-year WR Easton Messer who received the special teams honor in the previous week with a 73-yard punt return touchdown. Under Special Teams Coordinator Tyler Schovanec, the Owls have now scored both a kick and punt return touchdown in the same season for the first time in program history.

On offense, Valsin hauled in seven catches for a career-best 126 yards and three touchdowns. All three of his scores came in the second quarter to give the Owls a program-record 49 points at halftime.

After a strong start to the 2026 season, Florida Atlantic football's senior WR **Kelby Valsin** is one of 14 wide receivers added to the in-season Biletnikoff Award Watch List, announced on Wednesday.
Kelby Valsin added to Watch List

The award is given annually at the end of the season to the most outstanding receiver in college football. Valsin earned his spot of consideration through five weeks after leading the Owls with 40 receptions, 512 yards, and five touchdowns. These categories rank No. 4, No. 10, and No. 11 nationwide, respectively.

His most recent outing saw him record a career-high 129 yards and three touchdowns, all coming in the first half of a 66-10 blowout victory over Texas Southern. The performance earned Valsin honorable mentions from the American Conference and the Tyler Rose Earl Campbell Award.

Valsin joins his teammate, fifth-year **Easton Messer,** who was a preseason honoree. The duo are the only members of the American Conference represented on the prestigious watch list. Messer is right behind Valsin in receiving yards with 445, No. 20 in the nation and second in the conference.

As an offense, Florida Atlantic is putting up 37.3 points per game and are No. 17 in the FBS with 304.4 yards per game coming through the air. Now in their bye week, the Owls hold a four-game win streak and are on top of the American standings.

In-Season Accolades

A performance for the ages from fifth-year WR Easton Messer, that saw him tie Florida Atlantic football's single-game touchdown record, earned him American Conference Offensive Player of the Week as announced by the league on Monday.

Four of the Louisville, Kentucky native's five scores came on the offensive end, two rushing and two receiving, in the Owls' (5-2, 2-1) 51-49 victory over Rice. He is the first FAU wide receiver to have two rushing scores in a game, and per ESPN Insights, is the only FBS player in the last 20 seasons with two rush touchdowns, 2 receiving touchdowns, and a punt return score in the same game.

Just one week after a 14-reception perfor mance that was one shy of his own single-game program record, he followed up with 12 catches for 168 yards against the Rice Owls (1-6, 0-4, catapulting him into the conference lead in both receptions (58) as well as receiving yards (709). He added 12 yards on the ground to make 180 of his 262 all-purpose yards come from offense.

Messer's first touchdown of the day was a two-yard rush which gave FAU its first lead at 16-14. The second was a one-yard reception to put the home Owls up 23-14. Out of halftime, Messer completed a hat trick with a five-yard rush to put FAU up 30-21 and on the next drive he had a 68-yard scoring reception from graduate QB Caden Veltkamp.

Also a Biletnikoff Award as well as Paul Hornung Award nominee, Messer is the active FBS leader in receptions (260) and is No. 2 in receiving yards (3,082) and all-purpose yards (4,437).2

For his efforts, the wideout also earned a helmet sticker from EJ Manuel on ESPN for the fantastic finish as well as league recognition and national attention.

This is the seventh weekly league accolade collected by an Owl on the season and the third player of the week. Messer previously earned Special Teams Player of the Week after recording his first punt return touchdown in Week 4 against ULM.

Burris Brothers: Blake Burris joined the Owls in January 2026 holding both an undergraduate and a graduate degree. When the Irving, Texas native arrived in Paradise, he was familiar with both Hagerty Family Head Coach Zach Kittley and Special Teams Coordinator Tyler Schovanec as the duo were a part of his recruiting process at Texas Tech. The defensive lineman soon also learned he had a connection with FAU defensive coordinator Brett Dewhurst. Burris' older brothers Brent and Trent also played football at Texas Tech (2005-09) and were teammates of Dewhurst (2008-11). Burris' brother Bryse is also a football player and was a member of the Texas A&M Commerce team that won the 2017 NCAA Division II National Title.

Head Coach Zach Kittley

Zach Kittley was named Florida Atlantic's newest Hagerty Family Head Football Coach on December 2, 2024, putting at the helm one of the brightest and most innovative offensive minds in college football. Kittley came to Boca Raton after three seasons as the offensive coordinator and quarterbacks coach at Texas Tech.

Kittley brought 12 years of Division I coaching experience to Florida Atlantic, beginning with his time as a student assistant and graduate assistant coach at Texas Tech from 2013 to 2017. His first full-time coaching appointment came at age 26 when he was named offensive coordinator and quarterbacks coach at Houston Christian (Houston Baptist) from 2018 to 2020. He moved to Western Kentucky as the offensive coordinator and QB coach in 2021 and returned to his alma mater in 2022 at the same position.

A highly-regarded developer of quarterbacks, Kittley, 35 (Aug. 14, 1991), has been the architect of the prolific offenses at each of his stops while coaching the likes of future NFL signal-callers Patrick Mahomes II, Bailey Zappe, and Davis Webb. In his eight seasons as an offensive coordinator, quarterback coach, and play-caller, Kittley's teams have averaged 456.1 yards and 34.0 points per game.

Four of his last five seasons have produced bowl-eligible teams, beginning in 2021 with Western Kentucky beating Appalachian State, 59-38, in the Boca Raton Bowl at Flagler Credit Union Stadium to cap a 9-5 season. Texas Tech was bowl eligible in each of the last three years, with the Red Raiders beating Ole Miss in the Texas Bowl in 2022, beating California in the 2023 Independence Bowl, and going 8-4 this past season.

FLORIDA ATLANTIC (2025)

Taking on the role of not only a first-time head coach, but also playcaller and quarterbacks coach, Kittley transformed Florida Atlantic's passing game into one of the best in the nation. Not only did the team produce its first season with over 4,000 yards through the air in program history, the Owls also led the nation in passing yards per game at 340.2, an average of 22 more yards than second place.

Kittley added quarterback Caden Veltkamp from Western Kentucky, who he previously recruited. Under Kittley's coaching, Veltkamp led all Division I quarterbacks with 326 completions and became the first Owl to record over 300 passing yards per game. The "Owl Raid" offense set single-season records in passing completions (385), attempts (582), completion percentage (66.2), and broke or tied single-game records in completions (42), attempts (57), passing yards (494), passing touchdowns (five), and receptions by one player (15).

Four players: Jackson Lee (LS), Easton Messer (WR), CJ Doggette Jr. (DL), and Leon Hart Jr. (LB) were named to the American's All-Conference team in 2025. Under Kittley, the Owls are the only team in Division I to return their entire full-time coaching staff and starting quarterback in 2026.

TEXAS TECH (2022-24; 2013-17)

Kittley was named the offensive coordinator and quarterback coach at his alma mater on December 6, 2021, returning to Lubbock after beginning his coaching career as a student assistant in 2013 and rising to graduate assistant and assistant quarterbacks coach his final three seasons.

Working alongside former Tech head coach Kliff Kingsbury in the development of Mahomes, Kittley tutored the future NFL MVP into becoming the nation's leading passer in 2016 and an eventual top-10 selection by the Kansas City Chiefs. Future NFL draft pick Davis Webb, now the quarterbacks coach for the Denver Broncos, was also in Lubbock during Kittley's first stint.

In Kittley's first season as the offensive coordinator in 2022, he cemented his reputation as a quarterback developer as Texas Tech's offense managed consistent numbers despite numerous injuries behind center. Each of the three Red Raider starters at quarterback threw for at least 1,000 yards as Texas Tech became just the second team since 1996 to have three different QBs throw for at least 1,000 yards in the same season.

Texas Tech averaged 34.2 points per game in 2022 en route to an impressive 8-5 record that included a win in the Tax-Act Texas Bowl over Ole Miss. The Red Raiders led the Big 12 and ranked ninth nationally in passing offense in 2022, averaging 302.0 yards per game through the air as part of a unit that was in the top-25 nationally and second in the Big 12 for total offense.

With significant injuries under center again in 2023, Kittley adapted his offense to a more balanced attack with junior running back Tahj Brooks, who became only the fifth Red Raider in program history to rush for at least 1,500 yards in a season. Brooks, an All-Big 12 first team honoree, ranked fourth in the nation in rushing yards to push the Red Raiders to another 5-4 mark in Big 12 play and a victory in the Radiant Technologies Independence Bowl over Cal.

In 2024, with a healthy Morton starting all 12 games at quarterback and Brooks amassing another 1,500 yards on the ground, the Red Raiders are 8-5 and ranked top-10 nationally in nearly every offensive metric, including 10th in total offense, eighth in scoring and ninth in passing. The team averaged 459.8 yards in total offense and scored 38.6 points per game to lead the Big 12 in each. Individually, Morton was top-10 nationally in yards per game and touchdowns, while Brooks amassed 1,505 yards on the ground to rank third nationally in rushing average at 136.8 yards – the first back-to-back 1,500-yard rusher at Texas Tech in school history.

In total, five different quarterbacks have started under center during Kittley's 38 games as offensive coordinator the past three seasons, including two true freshmen at the time in Morton and Jake Strong. In games that Morton started last season and did not leave due to injury, the Red Raiders were 6-1 as he garnered honorable mention All-Big 12 accolades by the conference coaches after throwing for 1,757 yards and 15 touchdowns over his eight starts.

WESTERN KENTUCKY (2021)

Behind the arm of Zappe, who followed Kittley from Houston Christian to WKU, Kittley transformed the Hilltoppers into one of the nation's most explosive offenses, averaging an impressive 44.2 points per game and 535.3 yards of total offense. Western Kentucky closed the 2021 campaign as the FBS leader in passing yards per game (433.7) and first downs (384) and ranked second for both scoring offense and total offense and then 13th in red zone offense after scoring in 90.9 percent of their appearances inside the 20.

Just the sixth quarterback in FBS history to record at least 5,000 passing yards and 50 touchdowns, Zappe was named the Conference USA Most Valuable Player as well as the winner of the Earl Campbell Tyler Rose Award. He was also a finalist for the prestigious Manning Award and a semifinalist for both the Davey O'Brien and Walter Camp Player of the Year awards. His 5,967 passing yards and 62 passing touchdowns were each single-season FCS records.

Zappe was the highest-drafted quarterback in WKU history when he was selected in fourth round of the 2021 NFL Draft by the New England Patriots. Zappe has spent three years in the NFL with Patriots, Kansas City Chiefs and the Cleveland Browns.

The year prior to Kittley's arrival at WKU, the Hilltoppers went 5-7, averaging 19.0 points and 290.3 yards per game.

HOUSTON CHRISTIAN (2018-20)

Kittley was hired as the offensive coordinator and quarterbacks coach at Houston Christian in 2018 and spent three seasons constructing one of the top offenses in the Football Championship Subdivision (FCS).

In the first season under Kittley, the Huskies doubled their offensive production from the year prior, racking up 4,337 yards of offense, 301 points and 41 touchdowns – 2,975, 150 and 18, respectively, in 2017.

Zappe led the nation with 35 passing touchdowns in 2019 as Houston Christian improved its record from 1-10 in 2018 to 5-7 in 2019. He ranked second in passing yards per game for a Huskies offense that was third nationally in passing offense with 334.3 yards per game through the air. Houston Christian also ranked second in the Southland Conference and 12th nationally after posting 426.6 yards of total offense that season.

During its COVID-shortened 2020 season, Houston Christian continually frustrated FBS opponents as Zappe, who later transferred to Western Kentucky after Kittley's hire, completed 65.6 percent of his passes for 1,833 yards and 15 touchdowns with only one interception over four games.

Florida Atlantic University

Florida Atlantic, with its largest campus in Boca Raton, Florida, is a dynamic, national public research university with campuses and sites strategically located along Florida's southeast coast stretching from Fort Pierce to Fort Lauderdale and situated between America's Everglades and the Atlantic Ocean. It is recognized as a university of first choice for:

- *Excellence in undergraduate education and the student experience;*
- *Comprehensive graduate education;*
- *Visionary and globally relevant research;*
- *Transformative engagement with its global communities*

Florida Atlantic is one of only 21 institutions nationwide recognized by the Carnegie Classification as both an 'R1: Very High Research Spending and Doctorate Production' university — the highest distinction for research excellence — and as an 'Opportunity University' in the new Student Access and Earnings category. With one of the nation's most diverse student bodies, Florida Atlantic offers 170 undergraduate and graduate degree programs to more than 31,000 students, with over one-third of those students being first-generation college students.

Florida Atlantic is designated a Hispanic-serving institution and ranked as a top public university by U.S. News & World Report. To enhance interdisciplinary and collaborative research, Florida Atlantic has established four university-wide research institutes focused on the University's strengths. These are dedicated to improving and addressing diseases of the brain, enhancing human health and quality of life, protecting the environment locally and globally, and using sensors to monitor the world around us.

Florida Atlantic's 10 colleges are: the Dorothy F. Schmidt College of Arts and Letters, the College of Business, the College of Education, the College of Engineering and Computer Science, the Graduate College, the Harriet L. Wilkes Honors College, the Charles E. Schmidt College of Medicine, the Christine E. Lynn College of Nursing, the Charles E. Schmidt College of Science, and the College of Social Work and Criminal Justice. Additionally, the Osher Lifelong Learning Institute, the largest and most successful program of its kind in the United States, offers non-credit courses on a wide variety of subjects to people of retirement age.
